Beginn 16:30 Uhr

Location: Charité Universitätsmedizin Berlin

Campus Virchow – Klinikum

Augustenburger Platz 1

13353 Berlin

Audimax Forum 3

Program:

16:00 p.m. registration

16:30 p.m. opening

Program: **BSIO Female Independence Awardees 2021**

Dr. Stefanie Grosswendt *"Cellular states in development and cancer"*

Dr. Soulafa Mamlouk *"Patient specific evaluation of tumor evolution in colorectal cancer"*

BSIO Mini-Lab Awardee 2021

Inmaculada Martínez Reyes, PhD *"Metabolic networks in tumor immunity"*

"3G rules" apply, as well as a medical mask requirement on clinic grounds and in enclosed spaces.

Please allow 20 to 30 minutes for waiting at the entrance to the clinic premises. As a Charité external (without a Charité service card), you must prove that you meet one of the "3Gs" (tested, vaccinated or recovered) when entering the premises.
